CONGRATULATIONS TO OUR SEVEN 2019 GLOBIES WINNERS

For 70 years, PAHO/WHO Federal Credit Union has proudly served those who work tirelessly to build a better, healthier future for the global community. Even among those who put in the extra hours and devote years to the service of others, there are individuals who stand out. That's why we created the Globie Awards. We strive to reflect the values of integrity, respect, and solidarity in everything we do. The Globies exemplifies that commitment, and the dedication of those throughout the global health community, by highlighting individuals who make the world a better place.

As a celebration of our 70th anniversary, we took nominations and awarded seven Globies in 2019. In addition to a Globies Award trophy with their name on it, each of winner received a $700 prize and we donated $1,000 to the charity of their choice. It's truly an honor to celebrate the work being done by individuals such as those selected to win this year's Globie Awards. As we help members of the global health community live better, healthier financial lives, we want to thank everyone who participated in this year's awards and the great work being done around the world.
